# Pencil and Wooden Jewellery

We use sterling silver bindings or stainless steel only.

A new and unique statement of jewellery pieces, all handcrafted from pencils and timbers in the beautiful town of Mapua, New Zealand.

The artists have explored a wide range of shapes, colors and nuances, creating a versatile and vibrant product for all tastes!

All our jewellery are made out of pencils or timber and have silver or stainless steel bindings only.

All our pieces come in a silver gift box and are displayed in a black rack creating an appealing product for the customer. The rack can display up to 12 boxes.
